DECISION ON REQUEST TO  
PARTICIPATE IN PATENT  
PROSECUTION HIGHWAY PILOT  
PROGRAM AND PETITION TO  
MAKE SPECIAL UNDER 37 CFR  
1.102(d)

This is a decision on the request to participate in the Patent Prosecution Highway (PPH) pilot program and the petition under 37 CFR 1.102(d), filed March 21, 2007 to make the above-identified application special.

The request and petition are **DISMISSED**.

A grantable request to participate in the PPH pilot program and petition to make special require:

- (1) The U.S. application must validly claim priority under 35 U.S.C. 119(a) to one or more applications filed in the JPO;
- (2) Applicant must submit a copy of the allowable/patentable claim(s) from the JPO application(s) along with an English translation thereof and a statement that the English translation is accurate;
- (3) All the claims in the U.S. application must sufficiently correspond or be amended to sufficiently correspond to the allowable/patentable claim(s) in the JPO application(s);
- (4) Examination of the U.S. application has not begun;
- (5) Applicant must submit a copy of all the office actions from each of the JPO

application(s) containing the allowable/patentable claim(s) along with an English translation thereof and a statement that the English translation is accurate;

(6) Applicant must submit an IDS listing the documents cited by the JPO examiner in the JPO office action along with copies of documents except U.S. patents or U.S. patent application publications; and

(7) The required petition fee under 37 CFR 1.17(h).

The request to participate in the PPH pilot program and petition fail to include:

A. Item 3 above. Specifically,

1) The preliminary amendment filed on 3/21/2007 in the US application cancels claims 1-18, and adds claims 19-28. However, the dependent claims 20-24 and 26-27 refer to cancelled claims 1-8 for their dependency.

Applicant is requested to review the claims in view of the comments above to make sure that the claims are in compliance with the guidelines set forth above for a grantable petition to make special.

The Petition is **DISMISSED**.

Applicant is given a time period of ONE MONTH or THIRTY DAYS, whichever is longer, to correct the deficiencies. NO EXTENSION OF TIME UNDER 37 CFR 1.136 IS PERMITTED.

If the deficiencies are not corrected with the time period given, the application will await action in its regular turn.

Response must be faxed to Mano Padmanabhan at 571-273-4210 (RightFax) or 571-273-0308.

Telephone inquiries concerning this decision should be directed to Mano Padmanabhan at 571-272-4210.

All other inquiries concerning the examination or status of the application should be directed to Patent Application Information Retrieval (PAIR) system.
